*The Word of God is powerful. When we read, believe and receive God's Holy Word into our heart, it changes us.*

*When we trust God and believe that His love for us is unconditional and believe He is true to keep His promises, then we can have what He says.*

*God is a good God. Sickness and disease is not from God. Satan is the author of the evil that exists. God is desiring for us to simply believe and receive His Word so that He can do for us what He promises.*

*The following scriptures are written in a way that allows you to receive the truth of what the Bible says about Jesus' promises to us for divine health and healing. Take Him at His Word and receive His promises like medicine by declaring them out of your mouth.*
